## "Tell Me Why"

Put your lighters up...

They will fight till extinction  
And using the nations as weapons

Again...

Tell me why...

I've been gone for a while but don't watch that  
'Cause now I'm back ready to show all these whack rappers how to rap  
Type my name on youtube and watch that, get the picture. Yep  
I'm the biggest threat to your little rep on the internet  
Forget Channel U don't watch that, no one spits facts  
And since wifey riddem everybody's making chit chats  
But when my vid drops and you watch that, you'll be seeing why  
There's a big difference between me and the meaty guys  
MTV cribs I don't watch that, the greed sickens me  
I guess I just look at the world and see it differently  
Kids starving to death and when I watch that, I cry inside  
How can rappers live in yards that typa size  
Kids film happy slaps and they watch that, then text their friends  
Generations of degenerates, will it never end?  
The Twin Towers fell and we watched that  
It was control demolition, there was no terrorism; it's not that

They will fight till extinction  
And using the nations as weapons

Again...

Tell me why...

Youths get the Scarface movie and watch that, live that violent dream  
They shoulda watched more carefully in the final scene  
Forget Big Brother don't watch that, even if the other TV's shit  
You can't spend your life watching other people live  
Turn off Fox News, don't watch that - read a book  
Glance back at history 'cause we need to look  
They film us on CCTV and watch that, are we catalogue humans?  
Oyster cards stay tracking our movements  
Forget Myspace don't watch that, I ain't feeding Murdock  
Or looking at girls posing with their skirts off  
Forget profile hits, don't watch that, I know people can tell  
Those numbers don't equal yourselves  
Forget Borat, don't watch that, it ain't funny fam  
And that's start of something bigger than you understand  
And there's talk on the road but don't watch that, 'cause I'm well known  
And wherever I go my name rings like a cellphone

They will fight till extinction  
And using the nations as weapons

Again...

Tell me why...
